

Product Presentation

introduction

Farmers Land Food is a German frozen food company offering seafood, vegetables, ready meals, and desserts. Since 1996, we have worked with retailers and food-service partners around the world. Our goal is to create modern frozen products with reliable sourcing and high quality.

Fish Fingers

These NORDSEE Fish Fingers are made from 100% fillet, offering tender, high-quality fish wrapped in a crispy golden coating. Perfect for quick meals, they cook easily in the pan, oven, or air fryer. A delicious and convenient choice for the whole family.
